Malmark Handbell Packages are designed to provide everything needed to begin a successful handbell program. This assures you of having all the equipment and accessories necessary to learn, practice, and perform, as well as providing the materials to store, transport, and properly care for your Malmark Handbells. In each package the equipment and accessories include cases, portable tables, foam pads, gloves, music binder/stands, training video, director's manual, maintenance manual, polishing cloths, polishing cream, mallets, and music package.

An additional benefit of ordering a complete package is the special **PACKAGE PRICE** which amounts to a **significant savings** over purchasing the items individually.
