

Mobile Stages

Quality Risers & Stages Since 1947

Prices effective 01/17

Automatic Safety

Once fully open Midwest mobile stages automatically lift casters from the floor to prevent movement when the stage is in use.

Open Stage

Grab side of compacted stage and slowly start to step backwards to plant one side of stage horizontally. Then repeat on the other side.

Features

- Easy to set up, bring down or move around by a single person
- Deck built from solid plywood with tempered hardboard laminate
- Strong frame made from heavy-duty 16-gauge steel
- Folds up for compact storage and movement
- Locking mobile casters for movement
- Casters lift up when table is opened for use to prevent sudden movement
- Drop-in couplings for joining together many, same-sized stages
- Supports uniform load of 200 lbs. per square foot
- Available in Hardboard, Carpet or Polypropylene deck style

Safety Latch

For added safety, our exclusive automatic latch keeps stage decks locked vertically until you are ready to open the stage for use.

Optional Guard Rails on sides and rear are recommended and available separately. See **Steps & Rails** Page.

Add Shipping Charges via commercial freight from Chicago, plus applicable taxes. Where there is no loading dock or several available personnel to unload the truck, additional charges will apply for transfer to a truck with a Lift Gate for final delivery.
