## **Making Music with Choirchimes®**

by Dr. Paul Rosene  
A how-to manual for two octaves of handchimes. Musical examples included.  
**#7023** ..... \$ 11.95

## **Making Music with Choirchimes® Advanced**

by Dr. Paul Rosene  
A continuation of *Making Music with Choirchimes* using a three-octave range of handchimes. Musical examples included.  
**#7023A** ..... \$ 9.95

## **The Handbell Handbook for Just Twelve Bells/Chimes**

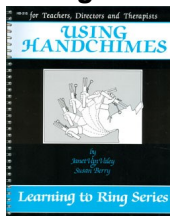

by Guy Ratcliffe  
A comprehensive guide to the subject of musical ringing on handbells. It is intended primarily for new teams of ringers using just 12 handbells, handchimes or similar group instruments but will also be useful for larger teams to train newcomers on a small and simple set. This book aims to teach the basics of tune ringing and music reading.

**#7009** ..... \$ 43.95

## **Using Handchimes**

by Susan Berry & Janet Van Valey  
The **Learning to Ring Series** is a complete ringing curriculum. *Using Handchimes* is designed to introduce new directors to handchimes and prepare them for their first rehearsals through a sequential set of lessons. Also included are sections for music educators and therapists.

**#7007** ..... \$24.95

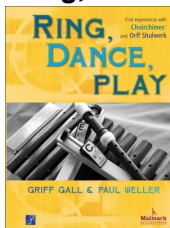

## **Ringling Basics**

by Beverly Simpson  
A beginning guide to ringing handbells and handchimes for directors and ringers. This guide uses step-by-step lesson plans to teach ringing.

**#7048** (for 2 octaves) ..... \$16.95  
**#70483** (for 3 octaves) ..... \$ 12.95

## **Ring, Dance, Play**

by Griff Gall and Paul Weller  
A music education resource for first experiences with Choirchimes and Orff Schulwerk, specifically created for grades K–5 with an emphasis on developing overall music literacy through Orff Schulwerk's full-body approach and child-centered way of learning.

**#7026** ..... \$20.95

**Handbells, Choirchimes®, & Ringing Accessories also are available.**
